“Accordingly

So Shall Mankind

—Theodore Roosevelt

FOREWORD

The richness of life depends largely on our memories of old associates and activities from which we have derived considerable pleasure. The contribution of four years of high school can scarcely be appreciated at the time of graduation. During this period you have worked and played together. Friendships have been formed, projects undertaken and completed. This little book should prove a treasure house to perpetuate and recall these happy relationships. As you enter upon the more serious business of making a living may the happy events pictured herein help you to appreciate the many friendships that made life at Roosevelt High School enjoyable.

FAREWELL

Yellow and blue we hail thee,
Ever thy praises sing—
O see our colors that stand for honor
And to us victory bring—Wy-High-Rah!
Yellow and blue forever
Deep in our hearts they lie;—
In field or in hall
We will answer thy call
For we love thee dear Wyandotte High.
